

*THIS SCHOOL IS...*

# Powered by Breakfast!

**On the first day of school and throughout the school year, your child will be offered a free breakfast after the bell.**

This breakfast opportunity is brought to you by Senate Bill 503 (SB 503), signed into law on June 12, 2015, and the Clark County School District. The Clark County School District has identified your child's school as one of 78 schools in the district that are now required to offer breakfast after the bell.

This bill is intended to increase access to breakfast so that every student in the school has the opportunity to start the day well-nourished and ready to learn. Extensive research has shown that students who consume breakfast score higher on academic tests, have fewer behavioral issues and fewer visits to the school nurse.

**Mack Middle School will begin serving breakfast after the first bell at 7:30 every morning. We encourage all students to go immediately to the cafeteria to get their free food.**

*Powered by Breakfast* is a collaborative effort brought to you by :
