Absent: Casey Torres, Shonetta Webster

- Welcome to our newest members.
- Review SOT construct for new members.
- Officer elections held: Nominated President and unanimous vote: Candace Aplin
 - Nominated Secretary and unanimous vote: Tangie Chavez
- Behavior concerns that have been elevating the past few weeks: disrespectful behavior, eating in class and hallways and students not wearing proper SSA attire.
- The plan to address the Behavior concerns will be taken care of through grade level assemblies:
 - Laying out a lunch and after school detention plan through the MAC center
 - The assemblies will also ask students to provide insight to their perspective of what may be taking place at Mack that they like and/or do not like
- We have reached a star rating of 2
- We are looking to receive more ideas for communication with parents to discuss niceties.
