

SOT Minutes 8/31/2020 held from 2:00 - 2:35 pm

Present: TangieChavez, Roxanne James, Cynthia Daniels and Candace Aplin

Absent: Rosalia Bautista and daughter Rosalia Bautista

Distance Learning:

We will be in Distance Learning mode until the end of December. Confirmed by the school board that wants updates every 30 days through 90 days.

If "I" could have a do over, I would send every student a "cheat sheet" with Teachers emails, google codes, schedules, times, day, teacher codes and emails, etc to assist students and parents with this process.

Budget:

District is taking 125 per student enrolled.

We still get SB178 funds so we did not lose 9 teaching positions. We have 5 open positions right now plus we will be receiving roll over money.

We will have to get kids attending and on our rolls.

Wellness teams have to see these families through the entire process and make sure they come to classes and complete the registration process.

The budget will not open again until after count day. (9/18/2020)

We are saving money by not hiring a Dean's secretary, or Fasa nobodies is on campus, so it would be a waste of money at this time.

We need an Special Education Instructional assistant.

Elections:

Licensed staff: 9/12-16 to vote for 2 licensed personnel for SOT. Vote Tuesday 9/22

Support staff: No information as to when these elections will take place

Parents are needed to serve on SOT and run elections as well.

Students:

We may be able to utilize Remind as a nominations and voting platform for parent and student election.

Future meetings: Our count day is 9/18/2020, the budget will be open after that.

9/21 next SOT meeting @ 2 pm
