**Discussion of School Board Meeting:**

- The District wants K-3 students first back to school. Middle school students will not be back until possibly March. The decision will be left up to each principal. We will continue the Lifeline Outreach led by Joel Bradley in the meantime.

  - Special education outreach
  - Currently reaching 10-20 homes per day

**School Performance Plan:**

- 2 goals agreed upon:
  - 90% or more students passing
  - Will continue the lifeline social-emotional support through next year
  - Will follow up with cohort of African American students recommended to accelerated classes

**Budget:**

- No cuts to the budget yet
- No access to full budget until February 27<sup>th</sup>
- The budget is allocated for 2 counselors – we have 3 – we have to make that up
- We get to keep our special education teachers – can't add anymore
- Will not fund any new English teachers
- May only lose (1) algebra/geometry teacher
- Will take a hit of (2) electives (don't know which ones at this point)
- No early bird next year – we will reallocate those funds
- Not yet allowed to hire out for landscaping
- Will fund an extra counselor because we want to continue the social-emotional support
  - All three counselors will be boots on the ground

- Will have \$250,000 less in Title Funding
- Will have almost \$350,000 less SB178 funding
